

Ayer's Sarsaparilla is a tonic and alterative, free from alcohol. What is a "tonic"? A medicine that imparts strength or tone; a medicine that builds up, gives vigor and power. What is an "alterative"? A medicine that alters or changes unhealthy action to healthy action. Ayer's Sarsaparilla does all this without stimulation. Ask your doctor if a famlly medicine, like Ayer's Sarsaparilla, is not vastly better without alcohol than with it.
